

## **Business Development Position in the Theme Park/Leisure industry**

Are you interested in working in the theme park industry? In this position as Business Developer you will be working for a theming company that creates magical themed environments for theme parks, Family Entertainment Centers, holiday resorts and other leisure destinations all around the world. Maybe you have seen their work at Toverland, Europapark, Slagharen, Movie Park Germany, or many other beloved theme parks (visit [www.themics.net](http://www.themics.net) for more information).

Themics Philippines Inc. is a young and fast-growing manufacturer of fiberglass items, creating IP-Figures, Animatronics, facades or whatever their client can imagine. Every item is handmade by talented artists in their production facilities in the Philippines. In Venlo in the Netherlands, the company has a small sales office where the team is looking for a motivated and eager individual to take on responsibility and learn the ways of the industry.

This means you will be working in a versatile, international team with much room to grow. Because the team in the Netherlands is not that big, you will have a large variety in your tasks and a start up mentality.

### **Your tasks are roughly summarized but not limited to:**

- Sales management (Inquiry handling and client meetings)
- Organize the company's exhibitions all over the world and be one of the exhibitors on site
- Create promotional materials (brochure, project reports, etc.) and keep them updated
- Responsibility for the company's public appearance (website, ads, articles, etc.)
- Supervise the company's intern by guiding them and helping them run the social media accounts
- Administrative tasks
- Occasionally assisting around the office with small shipments and running errands

### **Qualifications:**

- Strong organizational skills
- Excellent communication skills
- Strong oral and written English skills
- Proactiveness, being able to take initiative
- Degree in Leisure, Event, Sales, Marketing Management or something comparable
- Experience in Sales and Marketing preferred
- Interest/knowledge about the theme park industry is a plus
- Basic knowledge of Microsoft Office
- Preferably driver's license

### **We offer:**

- An international and inclusive work environment
- A fair salary and compensation of work-related costs
- Fully paid work trips to Expos
- A mix of working independently and in a team
- Being able to take on responsibilities and growing in the position

Begin date: November/December (negotiable)
